

Secure & Safe

Sun Center Assisted Living provides a high level of comfort and security to tenants and their families. Each unit is equipped with an emergency call system that will alert Luther Memorial Home nursing staff to respond. They will assess your situation and call the appropriate medical personnel. The building is equipped with a security system. Access to the building after certain hours is limited to residents and their guests.

Each apartment entrance can be uniquely decorated by the tenant.

These floor plans represent Sun Center East and Sun Center South apartments.
